CURRICULUM STATEMENT

AIMS OF THE NURSERY CURRICULUM

1. To provide quality learning experiences for all the children. Learning which is structured, balanced, relevant to the child and related to the real world.
2. To provide a curriculum which takes account of, and responds to, the children's developmental needs and allows them to make progress related to their differing abilities. "What the child can do" will be our starting point.
3. To ensure the children have positive experiences of success at their own levels now, in order to give them confidence and motivation for learning in the future.
4. To provide a curriculum which promotes the "Early Years Foundation Stage", identified by the Qualifications and Curriculum Authority.
5. To provide a curriculum which provides equal learning and development opportunities, for all the children within the Nursery.
6. To create a partnership with parents to support and enhance the development of the children.
