EQUIPMENT AND RESOURCES POLICY

SELECTING PLAY EQUIPMENT AND TOYS

The toys and equipment in the Nursery provide opportunities for the children, with adult help to develop new skills and concepts in the course of their play and exploration. The equipment we provide:-

- is appropriate for the ages and stages of the children.
- offers challenges to develop physical, social, personal and intellectual skills.
- features positive images of people both male and female, from a range of ethnic and cultural groups, with and without disabilities.
- includes a range of materials that can be used in a variety of ways and encourages an open-ended approach to creativity and problem solving.
- will enable children, with adult support, to develop individual potential and move towards the required learning goals.
- conforms to all relevant safety regulations and is sound and well made.
